PIRATES SAY THE DARNEST THINGS!

"HERE I ATE VERY LARGE OYSTERS, THE BIGGEST THAT EVER I ATE IN MY LIFE, INSOMUCH THAT I WAS FORCED TO CUT THEM INTO FOUR PIECES, EACH QUARTER OF THEM BEING A GOOD MOUTHFUL."

- ON THE BOUNTIES OF THE SEA

"FOR SUCH WAS THEIR HUNGER THAT THEY MORE RESEMBLED CANNIBALS THAN EUROPEANS AT THIS BANQUET, THE BLOOD MANY TIMES RUNNING DOWN FROM THEIR BEARDS UNTO THE MIDDLE OF THEIR BODIES."

COCOA PODS, 500 COWS,
GOLD, SLAVES, JEWELS,
PEARLS, & PLATANOS!

"If our number is small, our hearts are great. And the fewer persons we are, the more union and better shares we shall have in the spoil."

BLIMEY! OVERBOARD

SWORN TO SINK!

Pierre le Grand ordered the surgeon of his crew to cut a hole in the side of his own boat so his men would be more motivated when attacking the Spanish ship. "To the intent that, their own vessel sinking under them, they might be compelled to attack more vigorously and endeavor more hastily to run aboard the great ship." All Captains of the galleons belonging likewise are solemnly sworn to sink, but, or otherwise to destroy their ships rather than permit them to be taken by an enemy, for fear of enriching him not so much with those their great vessels as with the treasure they bring home.

HE CAN'T SWIM!

The secret is revealed! Bartolomeu Português aka The Português, can't swim! He narrowly escaped capture in the middle of the night using wine barrels to float after stabbing his guard to death and jumping overboard. He then ran into the woods and hid there for 3 days, eating only wild herbs.

EXCLUSIVE

INHUMANE THREATS!

L'Ollonais grew outrageously passionate; insomuch that he drew his cutlass, and with it cut open the breast of one of those poor Spaniards, and, pulling out his heart with his sacrilegious hands, began to bite and gnaw it with his teeth like a ravenous wolf, saying to the rest: "I will serve you all alike if you show me not another way."

TROUBLE IN PARADISE! BEAUTIFUL ISLAND RULED BY VICIOUS CROCODILES

BLIMEY! UP CLOSE

We were constrained to keep watch and ward every night, for fear of the crocodiles, which are here in great plenty all over the island. For these, when they are hungry, will assault any man whatsoever and devour him, as it happened in this conjuncture to one of our companions. The furious animal with incredible agility assaulted the Pirate, and, fastening upon his leg, cast him upon the ground, the negro being

fled who should assist him. Yet he, notwithstanding, being a robust and courageous man, drew forth a knife he had them about him, and with the same, after a dangerous combat, overcame and killed the crocodile. Which having done, he himself, both tired with the battle and weakened with the loss of blood that ran from his wounds, lay for dead upon the place, or at least beside his senses.

HOW THE HORRIFIC SCENE UNFOLDED!

BLIMEY! LAST LOOK

L'Ollonias Finally Meets His Match!

Infernal wretch L'Ollonias, who, full of horrid, execrable, and enormous deeds, and also debtor to so much innocent blood, died by cruel and butcherly hands, such as his own were in the course of his life.

MISERABLY PERISHED!

NO MAN CAN ESCAPE
**THE BLACK
SPOT!**

Captain Beats Himself to Death!

For with them, after a miserable manner, he did beat himself and lacerated his own flesh, till he lost the very shape of man which nature had given him, not ceasing to howl and cry, without any rest either by day or night. Thus he continued to do until he died, in that condition of raving madness wherein he surrendered his ghost unto the same Spirit of Darkness who had tormented his body.
